

WEYV Announces Integration with Google Chromecast, Extending the WEYV Experience to the TV

September 27, 2018

TROY, Mich., Sept. 27, 2018 (GLOBE NEWSWIRE) -- [WEYV](#), an app platform with music, magazines, e-books and more all in one experience, today announced its integration with Google Chromecast, Google's media streaming device.

WEYV is an entertainment app with music, magazines and (soon) podcasts all in one app experience

Now users can stream music in the WEYV app from their phone, tablet or laptop to their TV.

"It's not uncommon for consumers to play music on their TV as part of their daily rhythm and when entertaining. In addition to our integrations with Sonos and Amazon Alexa, we're happy to also allow our users to stream their music on their Chromecast device," said Stephanie Scapa, CEO of WEYV. "Now our users can enjoy their WEYV music in just about any environment at home and in the car."

To play WEYV on a Chromecast device, simply open the WEYV app on your phone or tablet, play a song, tap the casting icon shown on the play queue and then select your Chromecast-enabled TV.

WEYV is available as an ad-free, subscription-based app that allows users to listen to music, read magazines and e-books, and (soon) watch visual content. WEYV is available on iOS and Android devices and via a web player for U.S.-based users.
